

**REMARKS**

In the Office Action that was mailed on November 21, 2003, claim 26 was rejected under 35 U.S.C. § 102(e) as being anticipated by Jackson (U.S. Patent No. 6,516,466) ("Jackson"); and claims 1-2, 5-11, 13, and 15-19 were allowed. The foregoing rejection is respectfully traversed.

Claims 1-2, 5-11, 13, 15-19, and 26 are pending in the subject application, of which claims 1, 5, 13, and 16 are independent claims.

**Information Disclosure Statement:**

The examiner has not yet acknowledged reference AF on Attachment 1(g), which was submitted with an Information Disclosure Statement filed on April 18, 2003. The Applicants respectfully request that the examiner sign, acknowledge, and return the same to the undersigned.

**Amendments to the Claims:**

Claim 26 is amended herein to recite that "the present state of feeling of the user excludes a selection of specific services or contents or a request for a list of available services or contents." Care has been exercised to avoid the introduction of new matter.

**Allowed Claims:**

The Applicants thank the examiner for indicating that claims 1-2, 5-11, 13, and 15-19 are allowed.

**Rejections of the Claims:**

Jackson only discusses a system to provide music and video games on demand. (Jackson, col. 1, lines 7-18). To receive music, a user inputs a desired song using the user's cellular device, and the system transmits the desired song to the user's cellular device for playback. (Jackson, col. 3, line 54 – col. 4, line 13). To receive video games, the user inputs a desired video game using the user's portable cellular gaming unit, and the system transmits the

desired video game to the user's portable cellular gaming unit for play. (Jackson, col. 4, line 53 – col. 5, line 9). In other words, a user in Jackson selects a desired service or content from among the available services or contents.

In contrast thereto, the input of the present state of feeling in the claimed invention is different from the selection or designation of a desired song or video game or the input of a request for a list of selectable songs or video games. Specifically, "the present state of feeling of the user excludes a selection of specific services or contents or a request for a list of available services or contents," as recited in independent claim 26 (as amended herein). Therefore, claim 26 of the subject application is patentably distinguishable over Jackson.

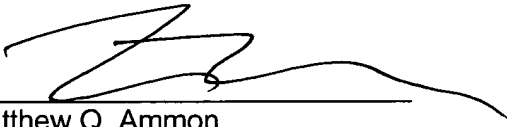

Withdrawal of the foregoing rejection is respectfully requested.

There being no further objections or rejections, it is submitted that the application is in condition for allowance, which action is courteously requested. Finally, if there are any formal matters remaining after this response, the examiner is requested to telephone the undersigned to attend to these matters. If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
